

One way to a healthier lifestyle is with proper **healthcare packaging.**

Whether it's getting more exercise, eating a well-balanced diet, taking vitamins and supplements, or medicine for an unforeseen illness, at Altium we're doing our best to help others stay healthy with products that will help you increase patient adherence and compliance.

Packaging solutions for products that improve our quality of life.

Altium Healthcare offers the complete packaging solution with custom caps, custom labels, and pharmaceutical vials. When we're at our best, others can be at their best, too.

Offering a total solution:

- Vials
- Caps & Closures
- Labels
- Meets CPSC standards
- Reversible caps for easy opening
- Custom labels on caps available
